(“**Western Global**”) warrants upon the terms and subject to the limitations set out herein that each new and unused item of equipment (each being a “**Product**”) is of good workmanship and is free from mechanical defects (the “**Warranty**”). Subject to the terms and limitations set out herein, Western Global will replace or repair any Product which is found to not be of good workmanship or to have mechanical defects.

NO AUTHORIZED WESTERN GLOBAL DISTRIBUTOR HAS AUTHORITY TO MAKE ANY REPRESENTATION OR PROMISE ON BEHALF OF WESTERN GLOBAL, OR TO ALTER OR MODIFY THE TERMS OR LIMITATIONS OF THIS WARRANTY IN ANY WAY.

This Warranty is conditional on a Warranty Registration Card, in the form attached, (the “**Warranty Registration Card**”) being completed, signed and returned to Western Global by the original purchaser within 14 days of the delivery of the Product to the original purchaser from Western Global or an authorized Western Global Distributor (the “**Purchaser**”). Failure to provide the Warranty Registration Card will invalidate the Warranty.

Furthermore and without limitation to the foregoing, this Warranty does not apply to: any fluids; filters; fuses; bulbs and/or any other consumable item or normal wearing items (each being a “**Consumable Product**”) unless it can be demonstrated that any such Consumable Product was defective prior to any use, in which case such Consumable Product will be subject to the terms of this Warranty.

The Warranty does not cover and Western Global shall in no way be liable for any faults arising from or damage caused by:

- improper or incorrect installation of a Product including, without limitation, the Product being installed and/or operated otherwise than in accordance with any instructions provided by Western Global with the Product;
- any misuse of the Product (including use of the Product after any damage or defect has been or should have been identified by a Purchaser), user negligence (whether or not intentional) and/or any accident causing damage to the Product howsoever arising including, without limitation, the Product not being used under normal operating conditions for which is it designed;
- lack of proper maintenance of the Product including, without limitation, lack of lubrication, protection and/or maintenance under the supervision of suitably qualified persons;
- any alterations or repairs made to the Product by anyone, including Authorized Western Global Distributors and/or Western Global personnel;
- any damage caused by corrosion caused by materials contained in or dispensed through any Product.

Unless otherwise authorized by Western Global, Western Global reserves the right to determine if any Western Global part(s) is defective and to repair such part(s) as it elects. This Warranty covers shipping costs of the defective parts.
